

aXtion Extreme for iPhone 17

Designed for hazardous locations, the aXtion Extreme for iPhone 17 delivers rugged drop protection, MagSafe compatibility, and 9H tempered glass screen protector.

SKU: HPA3224

Enable your digital transformation in hazardous locations with the aXtion Extreme for iPhone 17 (SKU#: HPA3224). It's the key to deploying mobile technology in Oil & Gas and Energy environments, empowering your field teams and unlocking new levels of productivity. With full HazLoc certifications (Class I Div 2, Class II Division 2, Class III Division 1 & 2), your team can safely use their devices in potentially explosive atmospheres to streamline digital workflows.

This case protects your technology investment and prevents costly downtime with military-grade MIL-STD-810H shockproof certification. Further enhance on-site efficiency with features designed for seamless workflow integration, including effortless MagSafe and Qi wireless charging and a high-visibility yellow shell and laser marked regulatory information for instant compliance checks. The aXtion Extreme for iPhone 17 is the essential tool for a safe, connected, and productive mobile workforce.

- Certified for Hazardous Locations: Class I Division 2, Class II Division 2, Class III Division 1 & 2, Group A-D, F, G, for use in explosive atmospheres.
- Exceeds Military-Grade Standards: MIL-STD-810H certified shockproof protection withstands drops from up to 6 feet.
- Total Device Protection: Features a built-in heavy-duty screen protector and sealed port covers to guard against scratches and debris.
- Designed for the Mobile Workforce: Includes two attachment points for lanyards or shoulder straps for secure, hands-free carrying.
- High-Visibility Safety Design: The bright yellow enclosure allows for quick visual identification of certified devices on site.
- This product is not a standalone case. Certification applies only when a compatible device is paired with the aXtion Extreme enclosure through the approved integration process.

BENEFITS

- Expand Usability
- Increase Mobility
- Protect Investment
- High Quality
- Increase Productivity
- Improve Efficiency
- Peace of Mind
