

aXtion Extreme for iPad 11-inch (A16)

Rugged and Certified Protection for iPad (A16) in Hazardous Locations (iPad not included)

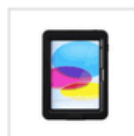

SKU: HTA6024

Built for field technicians, plant operators, HSE managers, and industrial inspectors in oil & gas, manufacturing, and chemical environments, the aXtion Extreme for iPad 11-inch (A16) enables critical mobile workflows where failure is not an option.

This tablet case enables the advanced capabilities of the new iPad 11-inch (A16), including high-performance processing, enterprise-grade security, and seamless app integration. This solution supports demanding business applications and real-time decision-making in the field by increasing uptime and user-confidence in work environments.

With third-party certification, the rugged iPad case empowers users to maintain uptime, perform digital inspections, access real-time data, and complete work orders without compromising safety or device integrity in high-risk role.

- HazLoc Certified: Class I Div 2, Class II Div 2, Class III Div 1 & 2 (Groups A-D, F & G). Safe for use in environments with flammable gases, dust, or fibers; ideal for oil & gas, chemical, and manufacturing.
- Extreme Protection: MIL-STD-810H and IP68 rated. Resists drops, dust, and water to reduce downtime and equipment loss in harsh field conditions.
- Hands-Free Ready: MagConnect compatible with hand strap and kickstand. Switch easily between mobile, mounted, and desktop use for faster, safer workflows.
- Built for Work: Includes screen protector, port covers, and cable lock slot to guard against damage and theft—built to meet enterprise asset protection standards.
- All-Day Mobility: Supports shoulder strap and harness for hands-free carry. Designed for mobile pros in high-demand, on-the-move roles.
- The device and case together are certified as one unit. Certification does not cover installation of customer owned and supplied tablets in The Joy Factory cases.

BENEFITS

- Expand Usability
- High Quality
- Improve Efficiency
- Increase Mobility
- Peace of Mind
- Protect Investment
